

17th March 2021

Dear Parents/Carers

I hope you and your family are safe and well and thank you for your support in getting your child back to school. Our pupils have made us proud as always by demonstrating their STAR values through wearing their correct uniform, being on time for school and their enthusiasm for learning.

We have high expectations of **all** our pupils. Our pupils have told us that our routines and high expectations make them feel safe and valued at school. In my previous letter I included the link to our uniform suppliers. We have a very small minority of pupils whose uniform is still not correct. We do understand that these are difficult times and a small number of families might find it difficult to purchase a replacement uniform. Please contact the school if you need any support.

On Monday 22nd March, we will be checking uniforms, please contact us before this date if you have any difficulty with sourcing the correct uniform for your child. Please check our uniform expectations from the link below, pay particular attention to jewellery, hair colour and any piercing.

As always, I thank you for supporting your child to do their best and be the best they can be.

Yours sincerely
