Dear Parent/Carer,

Re: Parental workshop on county lines and the links to missing children.

As a part of your child's education at The George Eliot School, we promote personal wellbeing and development through a comprehensive Personal, Social, Health and Economic (PSHE) education programme. PSHE education is the curriculum subject that gives young people the knowledge, understanding, attitudes and practical skills to live safe, healthy and productive lives and meet their full potential.

I am writing to invite you to a virtual session with Warwickshire Police on county lines and the links to missing children on Monday May 24<sup>th</sup> at 5.30pm. The meeting will last no longer than 60 minutes and there will be the opportunity to ask any questions you may have. A link to the session will be sent to you before the meeting.

The session works alongside the knowledge that pupils have been and will be receiving during their PSHE lessons on Health and Wellbeing.

If you would like to attend or have any further questions please contact Laura Malkin,

Yours sincerely,

*S. Smith*
