Dear Parent/Carer,

Re: Parental workshop on the impacts of drugs and alcohol with Compass

As a part of your child's education at The George Eliot School, we promote personal wellbeing and development through a comprehensive Personal, Social, Health and Economic (PSHE) education programme. PSHE education is the curriculum subject that gives young people the knowledge, understanding, attitudes and practical skills to live safe, healthy and productive lives and meet their full potential.

I am writing to invite you to a virtual session with Compass (the Warwickshire School Health and Wellbeing service) on the impacts of drugs and underage drinking within young people on Monday May 17th at 5.30pm. The meeting will last no longer than 60 minutes and there will be the opportunity to ask any questions you may have. A link to the session will be sent to you before the meeting.

The session works alongside the knowledge that Year 10 and 11 pupils have been and will be receiving during their PSHE lessons on Health and Wellbeing.

If you would like to attend or have any further questions please contact Laura Malkin, laura.malkin@midlandat.co.uk

Yours sincerely,

S. Smith

Miss S Smith
Head of PSHE & Religious Education
