

Maths GCSE Revision Sessions – Tuesday After School

	BBO & BAG L104 Foundation	AKE L112 Crossover	NCL & LEL L111 Higher
14/09/21	Scatter graphs	Use of a calculator	Histograms
21/09/21	Pie charts	Venn diagram	Cumulative frequency and box plots
28/09/21	Averages and stem and leaf diagrams	Reverse percentages	Surds
05/10/21	Best value	Mixed number fractions	Simultaneous equations
12/10/21	Exchange rates	Ratio	Solving algebraic fractions
19/10/21	Rounding and error intervals	Inequalities	Solving quadratics
02/11/21	Area and perimeter	Pythagoras	Rearranging formula
09/11/21	Fractions	Right angled trigonometry	Parallel and perpendicular lines
16/11/21	Fractions, decimals and percentages	Pythagoras and trigonometry	Solving and graphing inequalities
23/11/21	Substitution	Standard form	Area under a curve
30/11/21	Collecting like terms	Index laws	Trigonometry – sine rule, cosine rule
07/12/21	Expand and factorise	$Y = mx + c$	Circle theorems
