

11th October 2021

I am writing today to express my gratitude and appreciation for a fantastic start to our 2021/22 school year.

Year 7 have settled extremely well and have made a great start in their lessons; we are very proud to have them all as members of our George Eliot family and we are grateful for the support you have offered to the school and your children.

As a school, we aim to communicate with parents and guardians on a regular basis so that you are all aware of what is happening in school and what is happening with your child.

Our main forms of communication are:

- Weekly school bulletin, sent by email every Monday
- Text messages
- Emails
- My Ed messages
- School Twitter and Facebook accounts

If you are not receiving the above communications, could you please contact the school via infoGES@midlandat.co.uk or 024 7674 4000 to update your email and telephone numbers as soon as possible.

Additionally, I am available to support with any queries or concerns you may have, please feel free to email me directly on craig.bonny-meekings@midlandat.co.uk.

Kind regards,

Craig Bonny-Meekings
