1st November 2021

Ofsted Inspection - 28th – 29th September 2021

Dear parents/carers,

Following our recent inspection which took place on 28th – 29th September 2021, I am delighted to share the final report and the inspection judgement with you. As you are aware, the school was previously judged Requires Improvement in November 2017.

In this recent inspection, the school **was judged Good in every category.**

The inspection team recognised our strengths, and the fantastic culture we have in this school. They said *“The George Eliot, welcomes everybody and seeks to do the best for them. It places kindness alongside ambition in the values it promotes”*.

Inspectors identified that behaviour, both in lessons and around the school, is good and recognised that our pupils are polite, courteous and well-mannered.

The report reads, *“Everyone who inspectors talked to said that the school has improved considerably since last inspection and the evidence supports this. Leaders have appointed the right staff and trained them well. They have established strong routines for behaviour and classroom organisation.”*

Inspectors commented on our broad and ambitious curriculum, and the work the leaders do to ensure the work is appropriately challenging, which results in pupils learning well and gaining knowledge and understanding.

The reports says, *“Teachers are knowledgeable, enthusiastic and greatly value the training that they receive. They explain ideas to pupils well. Teachers use the correct terminology for each subject and expect pupils to do the same. They check on pupils’ understanding in various ways and use what they find out to shape the pace and direction of next steps in learning.”*

The full report will be published on the Ofsted website on 11th November 2021. However, we are allowed to inform parents and carers of the outcomes, and I have attached a copy of the report for your attention.

The report highlights the improvement journey the school has had so far. We are striving to be the best, because we believe that our pupils and our community deserve it. Thank you for the support you have given us along this journey.

Yours sincerely
