Dear Parent / Carer

Year 11 Extended School Sessions

Year 11 have made an excellent start to the school year. The focus and attitude they are showing to their studies has been exceptional. We are really proud of how they have returned to school and despite all the new routines and structures they have shown great tenacity in applying themselves to the learning again.

To support our pupils we will begin to run an extended school from Monday 28th September. All pupils are encouraged to attend the extended school sessions for their subjects.

Some pupils will receive an invite to the English, maths and science interventions for specific topics.

For the morning sessions pupils should arrive at South Gate at 8.40am

Due to the time missed in school during lockdown it is important that our pupils attend the extended school sessions for their subjects to ensure they have the time they need to complete their coursework and studies in preparation for their GCSEs.
