Dear Parent/Carer,

Elevate Education is a company that runs pupil workshops and parent webinars with the goal of improving engagement and outcomes. Elevate will be coming into our school on Monday 10th January to deliver the 'Ace Your Exams' pupil workshop which will focus on:

- High value exam preparation tasks
- Time allocation during exam preparation
- Techniques for managing stress and pressure in exams
- Easy wins to ensure improvement

Following this pupil workshop, Elevate will be running a parent webinar on Monday 10th January 18:30-19:30. This webinar will be free to attend and will focus on:

- Key points that were covered in the pupil workshop
- Strategies to reinforce these skills at home
- How to support your child in the build-up to their exams

This is an excellent opportunity, and I would encourage you to take full advantage of this.

If you would like to attend the webinar, please confirm your attendance [here](#).
